## Rotary Club of Vallejo

March 6th 2014

Derrick Karimian

Acting President Tom Phillips rang the meeting in at 12:33pm

Norb Frost led the club in the Pledge of Allegiance

Tony Intintoli was asked to lead us in a song and he decided to do so festively as the month of March belongs to the Irish. Tony started "That's an Irish Lullaby." Come the chorus, the rest of the club joined in from the copies Tony provided. These were made quickly as his nice copies were this week's target by his cleaner.

## Program

JD Miller introduced Carol from the Cordelia club, who has a real passion for Aldea

Carol: she started volunteering last year. Aldea's headquarters are in Napa, but they do half of their work in Solano county. She introduced Marcy and Mark from Aldea

Aldea concentrates on Mental Disorders and Foster Children

They serve 2200 annually, 1000 of which live in Solano county

"Aldea" means "Little Village"

The main Solano location is in Fairfield. There are a total of 30 therapists that contract with Aldea in Solano county, a handful of which serve in Vallejo.

Of the annual budget of \$10 million, only 9% goes to administrative costs. Total staff is 150

Mark, the Executive Director of Aldea for the last 9 years did a long and interesting question and answer session with our club.

## Photos

Doc Harrington matched those happy dollars and told us the full story of where this nickname came from. Here in America, we say "eat everything on your plate; there are starving children in Africa." They can't really say that in Africa, so what they say is "If you don't eat your dinner, the white ogre will come and get you." Apparently Doc fit the description in many of these kids minds!
