Doc Harrington gave \$5, his daughter has hedgehogs and they are quite cute. Unfortunately, you cannot have hedgehogs here.

Joke for the week:

Dyslexic man walks into a bra - President Biseno

A pirate walks into a bar and has a steering wheel in his pants. The bartender says "that must be uncomfortable."

The pirate responds "arghh! Its driving me nuts." - Connie Howard

Doc Harrington told a good, clean joke. The punchline was "No, I told her I was 84." You had to be there...
